NATHANAEL WONDWOSEN

B.S.C In Computer Science

PROFILE

I am passionate about exploring new opportunities and experiences. I pay close attention to detail and am committed to following up on deliverables to ensure efficiency in every task I undertake. I thrive in collaborative environments and enjoy contributing to team success through effective communication and teamwork. My eagerness to learn and adapt enables me to tackle new challenges in a dynamic work environment, and I love providing solutions to real-life work problems. I am open to discussions, ideas, and collaborative projects.

---------------------**EDUCATION** ----------------------

B.S.C. DEGREE IN COMPUTER SCIENCE

- 3.34 CGPA and passed the COC exam with a result of 67%
- Salale University 2019-2024

HIGH SCHOOL DIPLOMA

- Hill Side School

---------------------**WORK EXPERIENCE**---------------------

❖ **Huawei [Ambassador]**

2023–2024

In my role as an ambassador for the Huawei ICT Academy at Salale University, I was tasked with promoting the academy and its programs to students and faculty attending international meetings worldwide. This included raising awareness about the academy's courses and offering guidance and support to students interested in ICT education and careers.

❖ **Amhara Bank Head Quarter - [Internship]**

July 2023 – Sep 2023

During my internship, I gained hands-on experience in Information System (IS) infrastructure by successfully executing basic network and server configuration assignments.

❖ **Tradethiopia [IT Officer]**

July 2024

Tradethiopia is an international company specializing in B2B e-commerce, international import and export-related Training, and other international services. As an IT Officer, I provide essential IT support, create visually appealing web content and graphics, and enhance the online presence of Trade Ethiopia clients through innovative design. I develop system solutions for our company to help streamline workloads.

To Whom It May Concern

Subject: Letter of Recommendation
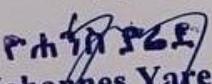

I am writing to recommend **Nathnael Wondwosen**, whom I have known as a student in the Computer Science department for four years. Throughout this time, I have been consistently impressed by his talent for identifying problems and generating creative solutions. In my "Wireless Communication and Mobile Computing" course, he actively participated in class discussions.

Nathnael Wondwosen, also demonstrated strong teamwork skills during his participation in the "**Huawei Technology Academy Seeds for the Future**" program. He effectively collaborated with his team to accomplishment the training successfully. I believe that his excellence, strong scholastic ability and hardworking personality would make him absolutely fit to accomplish any task related to his field of study.

Therefore, I wholeheartedly recommend him for any opportunity related to the field of computer science and wish him the very best in his future endeavours.

Sincerely yours,

የሐንስ ያሬድ
